PROFESSIONAL SUMMARY

Results-driven Accounting & Finance Virtual Assistant with over 3 years of hands-on experience in full-cycle accounts payable/receivable, bank reconciliations, month-end close, and multi-entity financial reporting. Proficient in NetSuite, SAP, and QuickBooks with advanced Excel and Google Sheets skills. Experienced working remotely in fast-paced, cross-border environments to deliver accurate, audit-ready financial support.

CORE COMPETENCIES

Accounting & Finance: Accounts Payable, Accounts Receivable, Month-End Close, Bank Reconciliation, General Ledger, Journal Entries, Payroll Accounting, Cost Allocation, Audit Support

Systems & Software: NetSuite, SAP, QuickBooks, FloQast, Microsoft Excel (Advanced), Google Sheets, Google Workspace

Remote Operations: Cross-Time-Zone Coordination, Digital Communication (Zoom, Google Meet, Slack), Data Confidentiality, Deadline Management

PROFESSIONAL EXPERIENCE

Accounting Analyst (Remote) | Q1 Media / OpenMoves / Crucial Interactive

March 2025 – Present

Advertising & Digital Media | Multi-Entity Environment

- Manage full-cycle accounts payable for three corporate entities by matching vendor bills, processing authorization workflows, and onboarding new vendors in NetSuite and SAP.
- Execute weekly and monthly bank and BMO Mastercard reconciliations; upload finalized statements, credit card files, and unapplied payments into FloQast and shared cloud repositories.
- Prepare and post manual, recurring, and adjusting journal entries including prepaid amortizations, reclassifications, and reversals.
- Own collections for past-due accounts, issuing weekly AR tracking reports to sales teams and processing invoice write-offs and overpayment adjustments.
- Build wage cost allocation files and process specialized cost-center allocations in NetSuite for accurate multi-entity reporting.
- Produced organized audit documentation packages (file support, screenshots, sampling evidence) for the MNP Audit, ensuring zero findings on assigned accounts.
- Manage end-of-period close checklists and coordinate timely uploads across secure shared repositories.

Accounting Analyst (Remote) | Ubiquity

March 2024 – March 2025

Advertising & Digital Media

- Imported and reconciled credit card transactions (Jet, Verias, Ubiquity) into NetSuite; maintained Google Sheets reconciliation ledgers and cash flow logs.
- Led month-end credit card reconciliations across multi-source documents and resolved discrepancies across Verias, SMS, JET, and Combined Reports.

- Compiled and analyzed daily operational and financial reports for five business units, delivering actionable insights to leadership.
- Set up new credit card vendors end-to-end within NetSuite databases and YTD tracking sheets; monitored network commissions and operational trends.

Credit Assistant | One Samex Development Corporation

May 2023 – February 2024

Trade & Distribution

- Conducted credit investigations for 104 client approvals by contacting trade references, verifying backgrounds, and compiling comprehensive CI reports.
- Coordinated approvals with Area/District Sales Managers and maintained real-time updates in Google Sheets databases, call logs, and credit ledgers.

Treasury Intern | MD Juan Enterprises, Incorporation

August 2022 – November 2022

Manufacturing & FMCG

- Processed full-cycle AP tasks including Requisition for Payment, Voucher Payables, and check releases with BIR Form 2307 handling.
- Supported payroll processing by managing timekeeping DTRs, encoding payroll summaries into Alpha List workbooks, and distributing payslips.
- Updated CBS and PNB checkbook registers, recorded cancelled/stale checks, and prepared journal vouchers for deferred VAT and supplier advances.

EDUCATION

Bachelor of Science in Accounting Information Systems (BSAIS)

University of Caloocan City, Caloocan City, Philippines | 2019 – 2023
